Bible Lesson Series

A magnificent walk through the Bible from
The Book of Acts through the Revelation!

Through the ages that have passed since the days of the apostles, the building of God's temple has never ceased.

We may look back through the centuries and see the living stones of which it is composed gleaming like jets of light through the darkness of error and superstition. Throughout eternity these precious jewels will shine with increasing luster, testifying to the power of the truth of God. The flashing light of these polished stones reveals the strong contrast between light and darkness, between the gold of truth and the dross of error.
